Madonna

**Am**                      **C**  
I got to save my baby

**G**                      **F**  
Because he makes me cry

**Am**                      **C**  
I got to make him happy

**G**                      **F**  
I got to teach him how to fly

**Am**                      **C**  
I want to take him higher

**G**                      **F**  
Way up like a bird in the sky

**Am**                      **C**  
I got to calm him down now

I want to save his life
