(Lyric and music by *Madonna, Diplo, MoZella, Toby Gad, Ariel Rechtshaid y MNEK*)

FAm DOm
First you love me and I let you in
DO# SOL#
Made me feel like I was born again
FAm DOm
You empowered me, you made me strong
DO# SOL#
Built me up and I can do no wrong
FAm DOm
I let down my guard, I fell into your arms
DO# SOL#
Forgot who I was, I didn't hear the alarms
FAm DOm
Now I'm down on my knees, alone in the dark
DO# SOL#
I was blind to your game you fired a shot in my heart

FAm DOm
Took me to heaven and let me fall down
DO# SOL#
Now that it's over I'm gonna carry on
FAm DOm
Lifted me up, and watched me stumble
DO# SOL#
After the heartache, I'm gonna carry on

FAm DOm
Living for love...Living for love
DO# SOL#
I'm not giving up I'm gonna carry on
FAm DOm
Living for love...I'm Living for love
DO# SOL#
Not gonna stop Love's gonna lift me up
FAm DOm DO# SOL#
Love's gonna lift me up
FAm DOm DO# SOL#
Love's... lift me up

FAm DOm
I could get caught up in bitterness

DO# SOL#
But I m not dwelling on this crazy mess
FAm DOm
I found freedom in the ugly truth
DO# SOL#
I deserve the best and it s not you
FAm DOm
You ve broken my heart but you can t break it down
DO# SOL#
I ve fallen apart, it was lost but now I m found
FAm DOm
I picked up my crown, put it back in my head
DO# SOL#
I can forgive, but I will never forget

FAm DOm
Took me to heaven and let me fall down
DO# SOL#
Now that it s over I m gonna carry on
FAm DOm
Lifted me up, and watched me stumble
DO# SOL#
After the heartache, I m gonna carry on

FAm DOm
Living for love...Living for love
DO# SOL#
I m not giving up I m gonna carry on
FAm DOm
Living for love...I m Living for love
DO# SOL#
Not gonna stop Love s gonna lift me up
FAm DOm DO# SOL#
Love s gonna lift me up
FAm DOm DO# SOL#
Love s gonna lift me up.
