

Love Profusion
Madonna

Bm **F#m**
There are too many questions
A **E**
There is not one solution
Bm **F#m**
There is no resurrection
A **E**
There is so much confusion

Bm **F#m**
And the love profusion
A
You make me feel
E
You make me know
Bm **F#m**
And the love vibration
A
You make me feel
E
You make it shine

Bm **F#m**
There are too many options
A **E**
There is no consolation
Bm **F#m**
I have lost my illusions
A **E**
What I want is an explanation

Bm **F#m**
And the love profusion
A
You make me feel
E
You make me know
Bm **F#m**
And the love direction
A
You make me feel
E
You make me shine
You make me feel
You make me shine
You make me feel
