You must be my Lucky Star

Cause you shine on me wherever you are
I just think of you and I start to glow
And I need your light
And baby you know

Starlight, starbright first star I see tonight
Starlight, [starbright] make everything all right
Starlight, starbright first star I see tonight
Starlight, [starbright] yeah

You must be my Lucky Star

Cause you make the darkness seem so far
And when I m lost you ll be my guide
I just turn around and you re by my side

Come on shine your heavenly body tonight

Cause I know you re gonna make everything all right

You may be my lucky star

But I m the luckiest by far
