

Mother And Father

Madonna

Dm **C** **G**
There was a time I was happy in my life
Dm **C** **G**
There was time I believed I'd live forever
Dm **C** **G**
There was a time that I prayed to Jesus Christ
Dm **C** **G**
There was a time I had a mother it was nice

Am **Dm** **G**
Oh mother why aren't you here with me
Am **Dm** **G**
No one else saw the things that you could see
Am **Dm** **G**
I'm trying hard to dry my tears
Am **Dm** **G**
Yes father you know I'm not so free

Dm **C** **G**
Nobody else would ever take the place of you
Dm **C** **G**
Nobody else could do the things that you could do
Dm **C** **G**
No one else I guess could hurt me like you did
Dm **C** **G**
I didn't understand I was just a kid

Am **Dm** **G**
Oh mother why aren't you here with me
Am **Dm** **G**
No one else saw the things that you could see
Am **Dm** **G**
I'm trying hard to dry my tears
Am **Dm** **G**
Yes father you know I'm not so free

Am
I got to give it up
Dm **G**
Find someone to love me
Am
I got to let it go
Dm **G**
Find someone that I can care for
Am

I got to give it up

Dm G

Find someone to love me

Am

I got to let it go

Dm G

Find someone that I can care for

Am

My mother died when I was five

Dm G

And all I did was sit and cry

Am

I cried and cried and cried all day

Dm G

Until the neighbours went away

Am

They couldn't take my loneliness

Dm G

I couldn't take their phoniness

Am

My father had to go to work

Dm G

I used to think he was a jerk

Am

I didn't know his heart was broken

Dm G

And not another word was spoken

Am

He became a shadow of

Dm G

The father I was dreaming of

Am

I made a vow that I would never need another person ever

Dm G

Turned my heart into a cage a victim of a kind of rage

Am Dm G (2X)

Am

I've got to give it up

Dm G Am

Find somebody to love

Dm G

Find someone that I can care for

Am

I got to give it up

Dm G

I got to give it up

Am

I got to give it up

I got to give it up

Dm G

I got to give it up
