

**Paradise Is Not For Me**  
**Madonna**

This is the acoustic version of Paradise (is not for me), that was on the Confessions Tour (2006).

If anyone can work out the solo that Monte Pittman plays in between, that would be awesome!

There are the chords you need to know:

**Am** (002210)

**Bbmaj7** (003230)

**Fmaj7** (003210)

Capo 3
