**Madonna**

Intro: **Bb Cm Dm Eb** x3  
**Bb Eb** x6

( **Bb Eb** )

Zephyr in the sky at night - I wonder  
Do my tears of mourning sink beneath the sun  
She's got herself a universe - gone quickly  
For the call of thunder threatens everyone  
And I feel like I just got home... and I feel  
And I feel like I just got home... and I feel  
Faster than the speeding light - she's flying  
Trying to remember where it all began  
She's got herself a little piece of heaven  
Waiting for the time when Earth shall be as one  
And I feel like I just got home... and I feel  
And I feel like I just got home... and I feel  
Quicker than a ray of light  
Quicker than a ray of light  
Quicker than a ray of light
