

Rescue Me
Madonna

Em **D** **A4** **A/E**
I m talking, I m talking I believe in the power of love
Em **D** **A4** **A/E**
I m singing, I m singing I believe that you can rescue me
A9
With you I m not a little girl with you I m not a man
Em
When all the hurt inside of me comes out, you understand
A9
You see that I m ferocious you see that I am weak
Em
You see that I am silly and pretentious and a freak
A9
But I don t feel too strange for you don t know exactly what you do
Em
I think when love is pure you try to understand the reasons why
A9
And I prefer this mystery it cancels out my misery
Em
And gives me hope that there could be a person that loves me
Chorus:
Em **D** **A4** **A**
Rescue me it s hard to believe your love has given me hope
Em **D** **A4** **A**
Rescue me it s hard to believe I m drowning, baby throw out your rope
A9
With you I m not a fascist can t play you like a toy
Em
And when I need to dominate you re not my little boy
A9
You see that I am hungry for a life of understanding
Em
And you forgive my angry little heart when she s demanding
A9
You bring me to my knees while I m scratching out the eyes
Em
Of a world I want to conquer and deliver and despise
A9
And right while I am standing there I suddenly begin to care
Em
And understand that there could be a person that loves me
(chorus)

To love me for me

I believe in the power

A4 **A**

I believe that you can rescue me
