

**Till Death Do Us Part**  
**Madonna**

Intro: G Bm Em C D/F# G Bm C Em D

G Bm Em  
Our luck is running out of time  
C D/F# G  
You re not in love with me anymore  
Bm C  
I wish that it would change, but it won t  
Em D Em  
Cause you don t love me no more

C G/B D  
You need so much but not from me  
G Am  
Turn your back in my hour of need  
D/F# Em D  
Something is wrong but you pretend you don t see  
C G/B D  
I think I interrupt your life  
G Am  
When you laugh it cuts me just like a knife  
D/F# Em  
I m not your friend, I m just your little wife

G Bm Em  
Our luck is running out of time  
C D/F# G  
You re not in love with me anymore  
Bm C Em D  
I wish that it would change, but it won t, if you don t  
G Bm Em  
Our luck is running out of time  
C D/F# G  
You re not in love with me anymore  
Bm C  
I wish that it would change, but it won t  
Em D Em  
Cause you don t love me no more

Em  
They never laugh, not like before  
She takes the keys, he breaks the door  
She cannot stay here anymore

D A C  
He s not in love with her anymore

C G/B D

The bruises they will fade away

**G**                  **Am**  
You hit so hard with the things you say  
                  **D/F#**                                  **Em**                                  **D**  
I will not stay to watch your hate as it grows  
**C**                                  **G/B**                                  **D**  
You re not in love with someone else  
                  **G**                                  **Am**  
You don t even love yourself  
                  **D/F#**                                  **Em**  
Still I wish you d ask me not to go

**G**                                  **Bm**                                  **Em**  
Our luck is running out of time  
                                  **C**                                  **D/F#**  **G**  
You re not in love with me anymore  
                  **Bm**                                  **C**                                  **Em D**  
I wish that it would change, but it won t, if you don t  
**G**                                  **Bm**                                  **Em**  
Our luck is running out of time  
                                  **C**                                  **D/F#**  **G**  
You re not in love with me anymore  
                  **Bm**                                  **C**  
I wish that it would change, but it won t  
                  **Em D**                                  **Em**  
Cause you don t love me no more

**Em**  
He takes a drink, she goes inside  
He starts to scream, the vases fly  
He wishes that she wouldn t cry  
**D**                                  **A**                                  **Em**  
He s not in love with her anymore

**Em**  
He makes demands, she draws the line  
He starts the fight, she starts the lie  
But what is truth when something dies?  
**D**                                  **A**                                  **C**  **G/B**  **D**  **G**  **Am**  **D/F#**  **Em D**  
He s not in love with her anymore

**C**                                  **G/B**                                  **D**  
You re not in love with someone else  
                                  **G**                                  **Am**  
You don t even love yourself  
                  **D/F#**                                  **Em**  
Still I wish you d ask me not to go

**G**                                  **Bm**                                  **Em**  
Our luck is running out of time  
                                  **C**                                  **D/F#**  **G**  
You re not in love with me anymore  
                  **Bm**                                  **C**                                  **Em D**

I wish that it would change, but it won't, if you don't

**G** **Bm** **Em**

Our luck is running out of time

**C** **D/F#** **G**

You're not in love with me anymore

**Bm** **C**

I wish that it would change, but it won't

**Em D** **Em**

Cause you don't love me no more

**Em**

They never laugh, not like before

She takes the keys, he breaks the door

She cannot stay here anymore

**D** **A** **Em**

He's not in love with her anymore

**Em**

He takes a drink, she goes inside

He starts to scream, the vases fly

He wishes that she wouldn't cry

**D** **A** **Em**

He's not in love with her anymore

**Em**

He makes demands, she draws the line

He starts the fight, she starts the lie

But what is truth when something dies?

**D** **A** **Em**

He's not in love with her anymore

**Em**

She's had enough, she says the end

But she'll come back, she knows it then

A chance to start it all again

Till death do us part
