

Time Stood Still
Madonna

Intro: **D#m** **B** **G#m** **Bb**

D#m B
Despair, regret, and tenderness
G#m Bb
Is what I feel for you
D#m B
I loved you from the very start
G#m Bb
What else could I do

F# **Bbm**
You read my mind, you made me cry
G#
Time stood still
F# **Bbm**
And now I know the reasons why
G#
Time stood still

F# Bbm G#
Maybe you re the next best thing to happen

F# Bbm G#
All the things we might have been

D#m **B**
A flame becomes a fading light

G#m **Bb**
That burns inside my heart

D#m **B**
And like a castle in the sand

G#m **B**
It had to fall apart

F# **Bbm**
 You made me laugh, you gave me hope
G#
 It s over now
F# **Bbm**
 Our happiness went up in smoke
G#
 It s over now

F# Bbm G#
Maybe you re the next best thing to happen

F# Bbm G#
All the things we might have been

F# **Bbm** **G#**
Maybe you re the next best thing to happen
F# **Bbm** **G#**
All the things we might have been

Solo: **F#** **Bbm** **G#** x2

F# **Bbm** **G#**
Maybe you re the next best thing to happen
F# **Bbm** **G#**
All the things we might have been
F# **Bbm** **G#**
Maybe you re the next best thing to happen
F# **Bbm** **G#**
All the things we might have been

Outro: **F#** **Bbm** **G#**
