

Turn Up The Radio
Madonna

D C
When the world starts to get you down
G
And nothing seems to go your way
A
And the noise of a maddening crowd
D
Makes you feel like you re going to go insane

D C
There s a glow of a distant light
G
Calling you to come outside
A
To feel the wind in your face and your skin
D
And it s here I begin my story

D C
Turn up the radio
G
Turn up the radio
A
Don t ask me where I wanna go
D
We gotta turn up the radio

D C
It was time that I opened my eyes
G
I m leaving the past behind
A
Nothing s ever what it seems
D
Including this time and this crazy dream

D C
I m stuck like a moth to a flame
G
I m so tired of playing this game
A
I don t know how I got to this stage
D
Let me out of my cage cause I m dying

D C
To turn up the radio

Turn up the radio **G**

Don t ask me where I wanna go **A**

We gotta turn up the radio **D**

Turn up the radio **D C**

Turn up the radio **G**

Don t ask me where I wanna go **A**

We gotta turn up the radio **D**

I just wanna get in my car **D C**

I wanna go fast and I gotta go far **G**

Don t ask me to explain how I feel **A**

Cause I don t wanna say where I m going **D**

Turn up the noise and turn up the volume **C**

Don t have a choice **G**

Cause the temperature s pounding **A**

If leaving this place is the last thing I do **A**

Then I want to escape **D**

With a person just like you **D**

Buzzing around like a moth to a flame **C**

I m so sick and tired of playing this game **G**

We gotta have fun if that s all that we do **A**

Gotta shake up the system

And break all the rules

Gotta turn up the radio **D**

Until the speakers blow!
