

**Our Time Wont Live That Long  
Madrugada**

Tuning: 1/2 step down to Eb Ab Db Gb Bb Eb

**G** **Bm**  
Don t know when they put me in the ground  
**C** **G**  
I don t know about me left alone  
**Em** **Bm**  
All that matters that I follow you  
**C** **G**  
On my way to the unknown bound

**Bm**  
It s cold baby but I m not afraid  
**C** **G**  
I feel lost, my life swept away  
**Em** **Bm**  
I ve been worried, but I promise thee  
**C** **G**  
It s so tense when you re in the life/light

**Em** **Bm**  
Only time that you walked away  
**Em** **Bm**  
It was me, I m always here and I gonna stay  
**Am** **D**  
Loving you can not be bad  
**G**  
My blood is boiling and you make me mad

**Bm**  
I was flying but it was very low  
**C** **G**  
You let you loving coming down  
**Em** **Bm**  
And all I thought it was just it was another dawn  
**C** **G**  
Couldn t be right what I found.

**Em** **Bm**  
A mountain top it s the need of time  
**Em** **Bm**  
I.. I m out of my mind so let s make this night  
**Am** **D**  
On my own everything is wrong,  
**G**  
Holding on now, I m holding on...

Honey our time won t live that long

**D**

**G**

You know our time won t live that long

**D**

**G**

You know our time won t live that long
