Tuning: standard (On record capo, 3rd fret)

Intro: **Em** **Am**

Verse 1:

**Em** **Am** **Em** **Am**  
All I see is my newfound friend and all the things she grants me  
**Em** **Am** **Em** **Am**  
Freedom is not among those things and freedom is by no means free  
**Em** **Am** **Em** **Am**  
Yeah, this is were it all begins, begins to stretch and part  
**Em** **Am** **Em** **Am**  
If we were to be changing things I wouldnâ€™t know were to start

Chorus:

**C** **D** **G** **C**  
I just want to sail away from it all  
**D** **G** **C**  
Freedom is impossible, this I..... this I know  
**D** **G** **C**  
I canâ€™t find it in no bedroom or wherever it is Iâ€™m running high  
**D** **Em** **Am** **Em** **Am**  
I never did find it....by anyoneâ€™s side

Verse 2:

**Em** **Am** **Em** **Am**  
So this is were it all begins, the nutbolt tied around me  
**Em** **Am** **Em** **Am**  
Now that Iâ€™ve found this big love and sometimes worked in its company  
**Em** **Am**  
Yes, Iâ€™ve become aware by the air that I display  
**Em** **Am**  
An hour is just the smallest of nations  
**Em** **Am** **Em** **Am**  
The next day I go on lightly and live it less within my limitations

Chorus x2 to fade
