

**Awakening**

**Mae**

Second tab, also uploaded because there weren't any others for this song. This one's easy and simple as well, though it's a beautiful song.

Leave comments if you have corrections/suggestions, it sounds perfect to me.

-B.E.G.

Key of: D

Chords: D xx0232

**G6** 320000

**A7** x02020 or x02223

**Bm** x24432

G 320033 or 355433 (320003 is ok, but not as fitting)

**D6/A** x00432

**D9** xx0230

**D**                  **G6**                  **A7**                  **D**  
When I close my eyes to this paradox place,  
**Bm**                  **G**  **Bm**                                  **D6/A**  
I'll fly away far away from here,  
**Bm**                                  **G**                                  **D**  
I'll get away and dream, dream of you,  
                  **D**                                  **G6**  
when it's all said and done,  
                  **A7**                  **D**  
and the night has come,  
**Bm**                  **G**  
I'll disappear,  
                  **Bm**                                  **G**  
take flight on the wind of wishing you where here,  
**Bm**                  **G**                                  **Bm**  
fading light like a star  
                                  **G**                                  **D**  
whose life has been gone for years

**D9**  **A7**  **Bm**                                  **G**  
and I'll fly,                  fly across the sky,  
                  **D9**  **A7**  **Bm**                                  **G**  
and I'll leave,                  leave it all behind,  
                  **D9**  **A7**  **Bm**                                  **G**  
if you'd be here, here with me tonight,  
                  **D9**                                  **A7**                  **D**  **A**  **D**                  **G**  
I'll be fine, I'll be fine, I'll be fine

**D9**  **A**  **Bm**  **G**  
Ah-Ah-Ah-Ah

D9                    A   Bm   G  
 Then Iâ€™ll disappear,  
           D9                    A                    Bm                    G  
 take flight on the wind of wishing you were here,  
 D9        A        Bm        G  
 fading light  
           D9                    A                    Bm                    G  
 like a star whose life has been gone for years

D   A    D    A

          D9   A7        Bm                    G  
 and I ll fly,                    fly across the sky,  
           D9    A7        Bm                    G  
 and Iâ€™ll leave,                    leave it all behind,  
           D9    A7        Bm                    G  
 if youâ€™d be here, here with me tonight,  
  
           D9                    A                    Bm                    G  
 Iâ€™ll be fine, Iâ€™ll be fine, Iâ€™ll be fine  
           D9                    A                    D  
 Iâ€™ll be fine, Iâ€™ll be fine, Iâ€™ll be fine
