

## Someone Elses Arms

Mae

This is a very simple way to play the song... I know it s not the way you would normally play it but it sounds really close and this way is as simple as possible.

(Capo 4th Fret)

(VERSE 1)

**G**

Two days and Iâ€™ve not slept a wink,  
these thoughts that Iâ€™ve been thinking.

**D Em-D**

This is the mark I aim to miss. (a-gain)

**G**

You toss and turn, I lie awake,  
who knows what Iâ€™ve been drinking.

**D Em - D**

another cheap, meaningless kiss. (to gi--ive)

(BRIDGE 1)

**C**

From the beginning,

**D**

**C**

dulled down and lost with all it s charm.

**D**

just wanna wake up, wake up in someoneâ€™s...

(CHORUS)

**C**

**G**

**D**

I just wanna wake up. I just wanna wake up.

**C**

**Em**

**A**

I just wanna wake up. I just wanna wake up.

(VERSE 2)

**G**

Six days and I can see the same,  
brown eyes in this reflection.

**D Em - D**

Is the man you say Iâ€™ll be? (become)

**G**

You toss and turn, I lie awake,  
into the sand were sinking.

**D Em - D**

Holding us back from breathing free (I m done)

(BRIDGE 1)

(CHORUS 2x)

(BRIDGE 2)

**C** **D** **G** **D**  
More than words, keep to yourself.  
Like the curse, fares thee well.

One-man game, one truth to tell.  
All this blame, hammers your way to hell.

(BRIDGE 3)

**C**  
Iâ€™ve got a feeling;  
**D** **C**  
itâ€™s not the safest place to start.  
**C**  
This heavy breathing,  
**D** **C**  
it seems, weâ€™re better off breaking hearts.

(BRIDGE 1)

(CHORUS 2x)

**C** **D**( -no chord- ) **G**  
I just wanna wake up, in someone elseâ€™s arms.
