

**Sun
Mae**

I basically just took the Tab from the guy that did the -Original Sun Acoustic Version-, But I added the words for the 2nd verse and put the tab into the Chords version to make it easier for me to read and condensed onto two pages instead of multiple, so its easier to put into a 3 ring notebook with plastic sheet protectors. It Should be right, considering that I just compiled it into the chords version instead of a tab version. The only thing I m unsure of would be the words/chords placement. So copy and paste it into microsoft word or something... and resize the right margin to fit the words of the 2nd verse on the same line, and make the chords blue instead of black so it s easier to read.

Sun (Acoustic) By Mae off their Destination B-Side s CD. Hope you love what you ve got this is one of my favorite Mae songs. I saw them and touched his guitar as he leaned over to give his Customized Mae pick to the girl that went with us as we were up against the railing during suspension @ SomaSD. ~justinsmith~

The confidence you held in us is the rope we almost hung ourselves with...			
Esus2		/E6	F#m

the rays, life was always back and forth and we were idling or making..			
F#m			
useless... progress...
