[Verse]

C **D***
If I was who I was before
 G* **Em**
Then I d be waiting at your door
 C **D*** **G*** **Em**
But I cannot confess I am the same
 C **D***
So, look at me and hear me now
 G* **Em**
With all my body screaming out
C **D*** **G*** **Em**
In my mind I m thinking of the place

[Prechorous]

C **D***
Where no one knows me
 G* **Em**
No one knows you
 C **D***
And you don t know me
 G* **Em**
And I don t know you

[Verse]

C **D***
If you would open up your heart
 G* **Em**
Drop your weapons, drop your guard
 C **D*** **G*** **Em**
Just a little trust is all it takes

Oh, I know that you ve been around
 G* **Em**
But hear me now, I m crying out

C **D*** **G*** **Em**
Let me be the light upon the lake

[Chorus]

C **D***
But if you give a little, get a little
G* **Em**
Maybe we could get to know each other
C **D*** **G*** **Em**
Give a little, get a little, give a little
C **D***
And if you give a little, get a little
G* **Em**
Maybe we could learn to love each other
C **D*** **G*** **Em**
Give a little, get a little, give a little

C **D*** **G*** **Em**

C **D*** **G*** **Em**
Give a little, get a little, give a little

C **D*** **G*** **Em**

C **D*** **G*** **Em**
Give a little, get a little, give a little

[Verse]

C **D***
If only we could find a way
G* **Em**
To leave all of our darker days
C **D*** **G*** **Em**
Soak in all the sweetness on our skin
C **D***
Oh, and if you re waiting in the Sun
G* **Em**
Then carry me on wings of love
C **D*** **G*** **Em**
To that brighter day where all begins

[Chorus]

C **D***
But if you give a little, get a little
G* **Em**
Maybe we could get to know each other
C **D*** **G*** **Em**
Give a little, get a little, give a little
C **D***
And if you give a little, get a little
G* **Em**
Maybe we could learn to love each other

C D* G* Em
Give a little, get a little, give a little

C D* G* Em

C D* G* Em
Give a little, get a little, give a little

C D* G* Em
But if you give a little, get a little
G* Em
Maybe we could get to know each other
C D* G* Em
Give a little, get a little, give a little

C D* G* Em
And if you give a little, get a little
G* Em
Maybe we could learn to love each other

Give a little, get a little, give a little
