

No Evil
Magic

C
(Speak no, see no, hear no evil)
Em G C
Woke up in the morning to another perfect stranger
(C)
(Perfect stranger, perfect stranger)
Em G C
Jumped into the shower to wash off the situation
(C)
(Situation, situation)
Em G C
I can't tell the difference if I'm crying or it's raining
(C)
(Is it raining, crying or it's raining)
Em G C
Either way I know that there is something in the changes
(C)
(In the changes, something in the changes)

C D Bm C
All I could think of is you in that sundress
C D Bm C
And if there's a chance to be with you I promise

REFRÃO

G Am
That I will speak no evil
Em C
And I will see no darkness
G Am
And I will only hear your voice
Em G Am
Til the demons come in to infect the love
(Am)
(Speak no, see no, hear no evil)
Em G Am
Til the demons come in to infect the love
(Am)
(Speak no, see no, hear no evil)

Em G C
Can you take me somewhere where the devil cannot find us
(Cannot find us, cannot find us)

Em **G** **C**
Rid me of the poison that has only paralyzed us

(Paralyzed us)

Em **G** **C**
I don t want to waste another moment here without love

Em **G** **C**
And I hope there still is space in your heart for me
