No Evil
Magic

C
(Speak no, see no, hear no evil)
Em   G   C
Woke up in the morning to another perfect stranger
(C)
(Perfect stranger, perfect stranger)
Em   G   C
Jumped into the shower to wash off the situation
(C)
(Situation, situation)
Em   G   C
I can t tell the difference if I m crying or it s raining
(C)
(Is it raining, crying or it s raining)
Em   G   C
Either way I know that there is something in the changes
(C)
(In the changes, something in the changes)

C   D   Bm   C
All I could think of is you in that sundress
      C   D   Bm   C
And if there s a chance to be with you I promise

REFRÃO
                G   Am
That I will speak no evil
             Em   C
And I will see no darkness
          G   Am
And I will only hear your voice
           Em   G   Am
 Til the demons come in to infect the love
(Am)
(Speak no, see no, hear no evil)
             Em   G   Am
 Til the demons come in to infect the love

(Am)
(Speak no, see no, hear no evil)

Em   G   C
Can you take me somewhere where the devil cannot find us

(Cannot find us, cannot find us)

```
Em                              G           C
Rid me of the poison that has only paralyzed us

(Paralyzed us)
Em                              G              C
I don t want to waste another moment here without love
        Em                  G                  C
And I hope there still is space in your heart for me

C              D        Bm          C
All I could think of is you in that sundress
    C              D          Bm         C
And if there s a chance to be with you I promise

REFRÃO
              G              Am
That I will speak no evil
             Em               C
And I will see no darkness
          G              Am
And I will only hear your voice
        Em           G              Am
 Til the demons come in to infect the love
  (Am)
(Speak no, see no, hear no evil)
          Em           G              Am
 Til the demons come in to infect the love
  (Am)
(Speak no, see no, hear no evil)

( Em   G )

      Am
Woah, no evil
Em    G       Am
(No, no) Woah, no evil

C              D        Bm            C
All I could think of is you in that sundress
    C              D          Bm          C
And if there s a chance to be with you I promise

              G              Am
That I will speak no evil
             Em                 C
And I will see no darkness
          G                  Am
And I will only hear your voice
        Em           G              Am
 Til the demons come in to infect the love
  (Am)
(Speak no, see no, hear no evil)
          Em           G                Am
```

```
 Til the demons come in to infect the love
 (Am)
(Speak no, see no, hear no evil)
        Em              G              Am
I will put on your sundress, let me be in the sunshine
Em          G                    Am
Put on that sundress and meet me in the sunlight

 Em                  G           Am
(Speak no, see no, hear no evil) No evil, whoa
 Em                  G           Am
(Speak no, see no, hear no evil)

(Speak no, see no, hear no evil)
```
