

One Woman One Man
Magic

G Bm Em C/G
I am a sinner, as cold as the winter. She is the sun, she is the queen of
love

G Bm E5 C/G
I am a burden, always uncertain. She is a raft, only believes in us

G F#m9- Em
C/G
And I know that she cries by the red in her eyes She s been waiting for signs
that never come

C/G
All she ever really wanted was...

G Bm
One woman, one man
E5 C/G
That s all that she asks
G Bm
No other demands
E5 C/G
One woman, one man, yeah

G Bm Em C/G
I am a loser, I only confuse her. She is the sail, no matter where we go

G Bm
Tradition in her veins, passed down. The way I live is far too gone

Em C/G
Oh I wish it wasn t so (Lord I wish it wasn t so)

G F#m9- Em
C/G
And I know that she cries by the red in her eyes She s been waiting for signs
that never come

C/G
All she ever really wanted was...

G Bm
One woman, one man
E5 C/G
That s all that she asks
G Bm

One woman, one man, yeah

One woman, one man

One woman, one man...
