

**Stupid Me
Magic**

Oh oh oh, oh oh, oh oh

Em **G** **C**
Stupid me, I don t know how to slow down
Em **G** **Am**
Felt your touch and now I want it all now
Em **G** **C**
Waiting by the phone begging for a call now
Em **G** **Am**
Centuries go by, and still there s no sound

C **D** **C** **D**
Why do you play with my heart, why do do do you?
 Em **D** **C** **D**

When you know that I see right through through through you?

G **D** **C**
But if you don t love me the way I love you
Am **G** **Em** **D**
And if you don t want me the way I want you
G **D** **C**
And if you don t need me the way I need you
Am **G** **Am**
I just got one thing to say to you
 Em
Stupid you

Em **G** **C**
Stupid you, you don t know how to act right
Em **G** **Am**
Gave you the best sleep you ever had in your life
Em **G** **C**
And all you had to do was kiss me goodnight
Em **G** **Am**
I swear to you a man like me you won t find

C **D** **C** **D**
Why do you play with my heart, why do do do you?
 Em **D** **C** **D**

When you know that I see right through through through you?

G **D** **C**
But if you don t love me the way I love you
Am **G** **Em** **D**
And if you don t want me the way I want you
