**Magnolia Electric Co.**

Capo II

Hammer Down

**C# C# G#**

Hammer down

**C# C# G#**

Heaven bound

**C# C# G#**

I saw the light

**C# C# G#**

On the old grey town

**C# C# G#**

Hammer down

**C# C# G#**

Heaven bound

**C# C# G# C# C# G#**

Sometimes I forget how Iâ€™ve always been sick

**Bbm C# G#**

And I donâ€™t have the will to keep fighting it

**C# C# G#**

Hammer down

**C# C# G#**

Heaven bound

**C# C# G#**

Hammer down

**C# C# G#**

Heaven bound

**C# C# G# C# C# G#**

When itâ€™s been my ghost on the empty road

**Bbm**

I think the stars are just the neon lights

**C# C# G#**

Shining through the dance floor (x2)

**Bbm C# G#**

Of heaven on a Saturday night

**Bbm C# G#**

I saw the light (x2)

**C# C# G#**

Hammer down

**C# C# G#**

Heaven bound

**C# C# G#**

Hammer down

**C# C# G#**

Heaven bound
