 C Dm Am C
If you give me good reason why I should stay
C Dm G Am

I ll postpone my leavin for another day
 C Dm Am C
I m afraid we ve hit dry season and you ain t changed
 C Dm G C
But you know I m patient when it comes to rain

 C Dm Am C
You ain t never loved me at least I don t think
C Dm G Am
I was ever thirsty when you saw me drink

 C Dm Am C
I ve been looking through the dirty on this window paint
 C Dm G C
But you know I m patient when it comes to rain

Am G
I don t know if I can wash away the stains
 F G
But as long as cloud stands I will always wait

 C Dm Am C
And I know you got your buddies but where are they now?
 C Dm G Am
You can t only want me when these lights go down
 C Dm Am C
And I know we ain t no burden but we feel the strain
 C Dm G C
And I m always patient when it comes to rain

 C Dm Am C
Looking for a quick drink boy you move too fast
 C Dm G Am
Cuz you ain t never sippin , so it never lasts
 C Dm Am C
So, will you stay out there wasting all our numbered days?
 C Dm G C
But you know I m waiting for that drop of rain

Am G
I don t know if I can wash away the stains
 F G
But as long as cloud stands I will always wait

C Dm Am C
Oh oh oh oh, oh oh oh
C Dm G AM
Oh oh oh oh, oh oh oh

(If you give me good reason, yeah, yeah why I should stay)

C Dm Am C
Oh oh oh oh, oh oh oh
C Dm G C
Oh oh oh oh, oh oh oh

Am G
I don t know if I can wash away the stains
F G
But as long as cloud stands I will always wait

C Dm Am G
If you give me good reason why I should stay
C Dm G Am
I ll postpone my leavin for another day
C Dm Am G
I m afraid we ve hit dry season and you ain t changed
C Dm G C
But you know I m patient when it comes to rain
