

**I Wish I Missed My Ex**  
**Mahalia**

[Intro]

**C\***                          **Em\***  
(Every time the weekend comes, yeah  
                  **Dm\***                          **G\***  
I know that it won t be long, yeah  
                  **C\***                          **Em\***  
Til you re gonna call my phone, yeah  
                  **Dm\***                          **G\***  
You ll be like Babe, come over  
                  **C\***                          **Em\***  
I know how this goes, yeah  
                  **Dm\***                          **G\***  
Talk about you need closure  
                  **C\***                          **Em\***  
Too many missed calls, too many texts  
**F\***                          **Bm\***  
Damn I wish I missed my ex)

[Verse]

**C**                          **Em**  
Every time the weekend comes, yeah  
                  **Dm**                          **G**  
I know that it won t be long, yeah  
                  **C**                          **Em**  
Til you re gonna call my phone, yeah  
                  **Dm**                          **G**  
You ll be like Babe, come over  
                  **C**                          **Em**  
I know how this goes, yeah  
                  **Dm**                          **G**  
Talk about you need closure  
                  **C**                          **Em**  
Too many missed calls, too many texts  
**F**                          **Bm**  
Damn I wish I missed my ex

[Verse 1]

**Cm\***  
You know I been waiting for this call  
**Em**                          **Gm**  
Baby, I don t wanna do this all today  
**Cm**  
Don t you know you re so predictable  
**Em**                          **Gm**  
I can tell you everything you re gonna say, like;

[Pre-Chorus]

**C**

Hey you (Hi)

**D**

How you been lately? (Fine)

I been missing you baby (sigh)

**Bm7**

**Em**

**Dm**

I don t know if I can take this again

[Chorus]

**C**

**Em**

Every time the weekend comes, yeah

**Dm**

**G**

I know that it won t be long, yeah

**C**

Talk about you need closure

**C** **Em**

Too many missed calls, too many texts

**F** **Bm**

Damn I wish I missed my ex

[Bridge]

**C** **Bm7**

Texting, texting, texting

**Em7** **Dm** **G**

Troubling me all over my phone all night

**C**

This ain t love, you re troubling me

**Bm7** **G**

You re wishing you were still mine

**C** **G**

I m the only one you wanted

**C** **Bm7**

But I can t follow where your heart is

**Em7** **Dm7**

Calling till the morning, nananana

**C** **Bm7**

Texting, texting, texting

**Em7** **Dm** **G**

Troubling me all over my phone all night

**C**

This ain t love, you re troubling me

**Bm7** **G**

You re wishing you were still mine

**C** **G**

I m the only one you wanted

**C** **Bm7**

But I can t follow where your heart is
