C   **F**
Everytime you feel like you cannot go on
      A#
You feel so lost
G
That your so alone
            C
All you see is night
      F
And darkness all around
      A
You feel so helpless
            G
You canâ€™t see which way to go
            A#   **F**
Donâ€™t despair and never loose hope
            A#   **G**
Cause Allah is always by your side
            C
Insha Allah
            G#
Insha Allah
            A#
Insha Allah
                        G
youâ€™ll find your way

C   **F**
Everytime you commit one more mistake
      A#
You feel you canâ€™t repent
      G
And that its way too late
            C   **F**
Yourâ€™re so confused, wrong decisions you have made
A#   **G**
Haunt your mind and your heart is full of shame

            A#   **F**
Donâ€™t despair and never loose hope
            A#   **G**
Cause Allah is always by your side
            C

            D#
Turn to Allah
      C
Heâ€™s never far away
           G
Put your trust in Him
                     A#
Raise your hands and pray
          D#
OOO Ya Allah
                    C
Guide my steps donâ€™t let me go astray
           G                          A#
Youâ€™re the only one that showed me the way,
              D#
Showed me the way
               C
Showed me the way
                 G     C
Showed me the way
