**B**                              **G#m**
i was a foolish little child
                              **E**
crazy things i used to do
                                    **F#**
and all the pain i put you through
                              **B**
mama now iâ€™m here for you

Verse 2

                                    **G#m**
for all the times i made you cry
                              **E**
the days i told you lies
                                    **F#**
now itâ€™s time for you to rise
                                          **B**
for all the things you sacrificed

PreChorus

            **G#m**
oh, if i could turn back time rewind
            **E**
if i could make it undone
                  **F#**
i swear that i would
                        **B**
i would make it up to you

**G#m**
it's a brand new day

i'd like to put a smile on your face every day

**G#m**
and it's not too late

i'd like to put a smile on your face every day

**B**                             **G#m**
and now i finally understand
              **E**
your famous line
                        **F#**
about the day i'd face in time

i've learned so much from you
                    **F#**
now i'm trying to do it too
