**G#m** **E**  
I remember when I first met you  
**B** **F#**  
I felt that God answered my call  
**G#m** **E**  
There was that one place I always thought about  
**B** **F#**  
And I just wanted to be there with you  
**E** **G#m**  
The place that no eye has ever seen  
**B** **F#**  
The place that no heart has ever perceived  
**E** **G#m**  
I had a great feeling inside of me  
**B** **F#**  
That one day Iâ€™ll be there with you

Chorus:

**G#m** **E**  
And now that weâ€™re here feeling so good  
**B** **F#**  
About all the things that we went through  
**G#m** **E**  
Knowing that God is pleased with us too  
**B** **F#**  
Itâ€™s not a dream, this is so true  
**E** **G#m**  
Feeling the peace all around  
**B** **F#**  
Seeing things we could never imagine  
**E** **G#m**  
Hearing the sound of rivers flow  
**B** **F#**  
And we know weâ€™ll be here forever  
**F#** **E** **G#m**  
The feeling is indescribable  
**E** **F#** **G#m**  
Knowing that this is our reward

**G#m** **E**  
Do you remember the hard times we went through?  
**B** **F#**  
And those days we used to argue  
**G#m** **E**  
But there was not one thing that could bring us down  
**B** **F#**  
Cause we always had in our minds  
**E** **G#m**  
The place that no eye has ever seen  
**B** **F#**  
The place that no heart has ever perceived  
**E** **G#m**  
The place weâ€™ve been promised to live in forever  
**B** **F#**  
And best of all, itâ€™s just me and you

Chorus:

**G#m** **E**  
And now that weâ€™re here feeling so good  
**B** **F#**  
About all the things that we went through  
**G#m** **E**  
Knowing that God is pleased with us too  
**B** **F#**  
Itâ€™s not a dream, this is so true  
**E** **G#m**  
Feeling the peace all around  
**B** **F#**  
Seeing things we could never imagine  
**E** **G#m**  
Hearing the sound of rivers flow  
**B** **F#**  
And we know weâ€™ll be here forever  
**F#** **E** **G#m**  
The feeling is indescribable  
**E** **F#** **G#m**  
Knowing that this is our reward

**B** **F#**  
I remember us praying at night  
**E** **B** **F#**  
And just dreaming about this together  
**B** **F#**  
Iâ€™m so blessed to have you in my life  
**E** **B** **F#**  
And now we can enjoy these blessings forever

**E** **G#m**  
Paradise is where we are now  
**E** **F#** **G#m**  
Paradise, a dream come true  
**E** **G#m**

Paradise, O what a feeling!
