I counted up the scars and thought I won the war

Dm
Said I tried everything to save us

G
but I didn t try

C
The other day I heard you were in Italy somewhere

Am
I remember you told me you always wanted to go there

Dm
but I never did wanna learn the language did I? **G**

pre-chorus

C
I know I hold the smoking gun

Am
but clearly anyone would rather be **Dm**

G
you after me than me after you

C
Whats it like to be happy to have your heart all untied

Am
Everything comin easy with the world on your side

Dm **G**
and all I want is you

Chorus

C
I know I hold the smoking gun

Am
but clearly anyone would rather be **Dm**

G
you after me than me after you

C
I made my bed I m lyin in it

Am **Dm**
maybe even I would rather be

G

you after me than me after you

F

Cause after you I stopped believin

G

all that I needed was this cursed freedom

F

but after me your laughin easy

G

Livn, lovin ant that somethin
