A Bit Out Of Time
Mainland

 [Intro]
C F

[Verse 1]
C
Thinking of a way
C
We could embrace the change
F
Thinking of a way
F
We could alleviate the pain
C
You and I
C
Are parallel lines
F
Call the police
F
There s a riot in the streets

[Pre-Chorus]
G   **Am**
Do I need a person here to make me complete?
       F
I m walking through the memories I hope to keep
G   **Am**
Do I need a lover to hold me tight?
F
After every day and the war I fight

[Chorus]
                   C
Wish we could stop the clock
F
Dance in the dark
              C
We re just a bit out of time
                    F
Wish we could stop and rewind
                C
We re just a bit out of time
                    F
We re just a bit out of time

Am F (2x)

[Verse 2]
C
I wish I could explain
C
All the feelings we faked
F
I wish I could explain
F
Why I ve been missing you today
C
You and I
C
Are parallel lines
F
All that we need
F
Is just a little air to breathe

[Pre-Chorus]
G   Am
Do I need a person here to make me complete?
F
I m walking through the memories I hope to keep
G   Am
Do I need a lover to hold me tight?
F
After every day and the war I fight

[Chorus]
                 C
Wish we could stop the clock
F
Dance in the dark
            C
We re just a bit out of time
                F
Wish we could stop and rewind
            C
We re just a bit out of time
            F
We re just a bit out of time
                C
Wish we could stop the clock
F
Dance in the dark
                C
We re just a bit out of time
                F
We re just a bit out of time

```
                C
Wish we could stop the clock
F
Dance in the dark
                C
We re just a bit out of time
                  F
We re just a bit out of time
                C
We re just a bit out of time
                F
We re just a bit out of time

end on F
```
