Mainstay

Down Silver Lake - Mainstay

Chords transcribed by tobijeh
Chords intended for piano

B G#m E E

G#m E
Is anyone awake? Anyone at all?
B F#/C#
Siren song is calling me, it s getting louder now
G#m E
Compromise is here, I know it s all a lie
B F#/C# E
I need to hear the melody of Your tune

B G#m
So take me home but keep me feeling lonely
E
when everyone is around
E B
You re trying to show me how to hear Your song
G#m
down here by the water
E
Far away from the lights
E G#m
I see that I can t live two lives

G#m E
Everywhere I go I carry with me
B F#/C#
this ceiling that divides us - it s coming in between
G#m E
When conversation turns into a monologue
B F#/C#
I need to just be silent here and listen for Your tune

G#m F#
Night time lends its ear
C#m F#
to the sound of my disappointment
G#m F#
When the ideal fades

C#m

F#

I don t want to complain, I just want to hear You sing
