

**Best Ill Ever Sing**  
**Maisie Peters**

This beautiful song was originally written by the wonderful Maisie Peters and I urge you to go and listen to her song on spotify or any other platform because it s so amazing!

I did a cover of it on my YT channel in the key of G, because I found it easier to sing in and here is the link, (<https://www.youtube.com/watch?v=YpKNbI8hH-Y>) I ve commented the chords in G there. This is my first ever tab so I m sorry if it doesn t work properly or if there s any problems!

Comment any improvements below! Hope you enjoy singing this beautiful song! Also, thank you to my wonderful music teacher for helping me get the chords!

[Verse 1]

**E**                **B/D#**  
Maybe I m better off  
**G#m**                **A**  
A little taller now you re gone  
**E**                **B/D#**  
Writing words and they don t sting  
**C#m**                **Aadd9**  
But they don t mean half as much without you listening

[Pre-Chorus]

**B**  
The crying at the piano  
**C#m**  
You re like stood in the shadows  
**A**  
When I try to soften my words

[Chorus 1]

**E**                **B/D#**                **C#m**                **B**  
Maybe we brought out the worst in each other  
**A**                **E/G#**                **F#m**                **B**  
A million full stops on our skin  
**E**                **B/D#**                **C#m**                **B**  
But baby the songs that I wrote as your other  
**A**                **B**                **E**  
Are the best I ll ever sing  
                 **C#m**                **A**                **E**  
Cause they all go ooh-ooh-ooh-ooh-ooh  
                 **C#m**                **A**                **E**  
Like there was a choir in every line back then  
                 **C#m**                **A**                **E**  
Cause they all go ooh-ooh-ooh-ooh-ooh  
                 **C#m**                **B**                **E**  
And that was the best I ll ever sing

[Verse 2]

**E** **B/D#**

I don't see you at my shows

**G#m** **A**

Cause if you heard this, it would cut too close

**E** **B/D#**

Wish I could stop writing us, God knows I've tried

**G#m** **Aadd9**

Every moment immortalized

[Pre-Chorus]

**B**

The crying at the piano

**C#m**

You're like stood in the shadows

**A**

When I try to soften my words

[Chorus 2]

**E** **B/D#** **C#m** **B**

Maybe we brought out the worst in each other

**A** **E/G#** **F#m** **B**

A million full stops on our skin

**E** **B/D#** **C#m** **B**

But baby the songs that I wrote as your other

**A** **B** **E**

Are the best I'll ever sing

**C#m** **A** **E**

Cause they all go ooh-ooh-ooh-ooh-ooh

**C#m** **A** **E**

Like there was a choir in every line back then

**C#m** **A** **E**

Cause they all go ooh-ooh-ooh-ooh-ooh

**C#m** **B** **E**

And that was the best I'll ever sing

[Bridge]

**F#m** **B**

And when the curtain falls, I'll bury you again

**F#m** **B**

Every lyric is a letter that I'll never send

**F#m** **B**

A piece of me from when

[Chorus 3]

**C#m** **A** **E**

Ooh-ooh-ooh-ooh-ooh

**C#m** **A** **E**

Like there was a choir in every line back then

**C#m** **A** **E**

Ooh-ooh-ooh-ooh-ooh

**C#m** **B** **E**

And that was the best I'll ever sing

**E** **B/D#** **C#m** **B**

Maybe we brought out the worst in each other

**A** **E/G#** **F#m** **B**

A million full stops on our skin

**E** **B/D#** **C#m** **B**

But baby the songs that I wrote as your other

**A** **B** **E**

Are the best I ll ever sing
