

Enough For You
Maisie Peters

[Intro]

C Am F Fm G#

[Verse 1]

C

I took it hard

Am

Try not to fall apart

F

But I like your eyes with your glasses off

Fm

Lipstick so nice when it s twelve o clock

C

Cause I see you then

Am

We talk about all my friends

F

And I wonder who you re going home to

G#m

Would you do all the things that he don t do?

[Chorus]

C

A

Cause you re one of a kind and you re stuck on my mind

F

It s an issue

Am

Cause I miss you

G

F

When I m sat just watching TV

C

A

I spilled out my heart in the front of your car

F

Kind of funny

Am

Now you don t wanna see me

G

F

And I get it, no, I really do

C

But I wish I was enough for you

[Verse 2]

C

You drive

Am

Into car parks at four to five

F

And there s some other girl in your wing mirror

Fm

G#

And that hole in my chest gets a bit bigger

C

And it dawns on me

Am

All the things that I couldn t see

F

It was perfect as long as it wasn t real

Fm

G#

But it was worth it to know how the films all feel

[Chorus]

C

You re one of a kind

A

And you re stuck on my mind

F

It s an issue

Am

Cause I already miss you

G

F

When I m sat just watching TV

C

I poured out my heart

A

In the front of your car

F

Kind of funny

Am

Now you don t want to see me

G

F

And I get it, no, I really do

C

But I wish I was enough for you
