[Verse 1]

C

Heartbreak Saturday nights, getting ready

Am

To make you see that I m better already

Em

I put on every perfume

F

And I do it to hurt you, oh

C

Make sure I smell like your bedroom when I was in it

Am

Wearing the dress that I met you in, sent you spinning

Em

And I flirt with your friends

F

But it s a beggar s revenge

Cause she s with you again

G

And I try to look away

[Chorus]

F

C

Cause in my head, in my head, in my head, in my head

Am

G

I m yours, and I should know better but I

F

C

Am

Can t forget, won t forget how it was before

G

Oh it felt forever, baby

F

We should still be holding on

C

I should still put on your coat

Am

And when the music dies out

G

You should still take me home

F

C

Cause in my head, in my head, in my head, in my head

Am

G

I m yours still
