

Without Warning
Maisy Stella

E
I ve been adrift

Like a rudderless ship

I rely on the pull of the moon
A
Oh, I m in no hurry

The ride is a journey
E **B**
And I ll know where I m headed soon
C#m **C**
Every new change is a blind leap of faith
A **Am**
And I hope that I make it with you

Stay beside me, on my way to find me
B
And I ll pray, you ll guide me
E **B**
Without warning

A
I ll choose how we end this
E **B**
With the blue
Am **A** **E** **B**
With the blue of the morning

I m gonna rise with the sun

Like a man on the run
Bm
To feel wanted and reckless and free
A
I ll find what I m missing

Out there in the distance
E
And I ll know where I m meant to be
C#m **C**
Cause every new stage is a runaway train

A **Am**
And I hope that I ll hear when it leaves

Stay beside me, on my way to find me

B
And I ll pray, that you ll guide me

E **B**
Without warning
