Am Em
Let me escape in your arms
G Am
Baby I m yours, baby I m yours
Am Em
Love don t come easy at all
G Am
I miss you so much, I miss you so much
Am Em
Tell me, is this freedom, baby?
G Am
Chasing after danger, making my heart race, woah
Am Em
Maybe if the stars align, maybe if our worlds collide
G Am
Maybe on the dark side we could be together, be together
Am Em
Maybe in a million miles, on a highway through the skies
G Am
Someday soon we ll be together
Am Em
He was a dreamer at heart

Chasing the stars, chasing the stars
Am Em
Wings spread to the sun
