

Cold Water
Major Lazer

Em **G** **D** **C**
Everybody gets high sometimes, you know
Em **G** **D** **C**
What else can we do when we re feeling low?
Em **G** **D** **C**
So take a deep breath and let it go

You shouldn t be drowning on your own

Em **G** **D** **C**
And if you feel you re sinking, I will jump right over
Em **G** **D** **C**
Into cold, cold water for you
Em **G** **D** **C**
And although time may take us to different places
Em **G** **D** **C**
I will still be patient with you
D
And I want you to know

Em G D C
I won t let go
Em G D C
I ll be your lifeline tonight
Em G Bm C
I won t let go
Em G D C
I ll be your lifeline tonight
