Make Them Suffer

[Intro]

Am

[Verse]

Am

Am

This is a system reset. Accept agreements. Delete all accessories

Am

Am

Pending permissions request; access all recents. Can't search the directory

Am

We're screaming 00011011

Am

This is a system reset. Connect the sequence

[Chorus]

F

Dm

Am

We're connected. But I don't feel a fucking thing

F Dm Am

But we're connected

N.C.

Am

This is a system reset. Fuck

[Verse]

Am

Commencing scan of memory...

Am

Accessing cache bin imagery...

Am

We're screaming 00011011

C#m

User distrusted. Content corrupted

Am

My soul, these memories; distrusted they're built on lies

Am

Time's slowed by every file, so deceptive

[Chorus]

F

Dm

Am

But we're connected, and I don't feel a fucking thing

F Dm

Am

[and I know] that we're connected. Could the god code save me?

F Dm Am

We're not alone. (And I know it's true)

F Dm Am

That we're connected

[Bridge]

Am

A deterministic perfect system. Formatted, tested

Am

Am

With humanistic algorithms. Communications detected

Am

Am

Uncaching memory, all the corrupted imagery

C#m

Upload the trojan, leave me broken

F

Dm

Am

A beacon, connect the sequence

F Dm

Am

connect the sequence

[Chorus]

F

Dm

Am

But we re connected, and I don t feel a fucking thing

F

Dm

Am

[and I know] that we re connected. Could the god code save me?

F Dm Am

We re not alone. (And I know it s true)

F Dm Am

That we re connected
