Tabbed by: maps.run

Tuning: Standard (EADGBE)

**Versel: A-A2-E-D**

I felt You crying,  
Were You thinking of me,  
What I did with my time,  
What became of me.

**Verse2: A-A2-E-D**

I felt You crying,  
You where thinking of me,  
How I got to know You,  
How much You love me,

**Chorus: A-F#m-F-G**

Worthy are You,  
Holy are You,  
You took my place,  
You cried for me too,  
Worthy are You,  
Holy are You,  
For all that You are,  
Iâ€™ll follow You.

**Verse3: A-A2-E-D**

Oh how I love You,  
Since the day I met You,  
Didnâ€™t get what this was for,  
But I could not ignore.
