

**All Of Yours  
Making April**

comment on it...@ acharya\_13@hotmail.com  
hope the beginners like it ... :)

**C** **Am**  
My blood bleeds red  
**F** **G**  
For all those thoughts you left unsaid  
**C** **Am**  
Well how could you let your guard down  
**G**  
And let me impose  
**F** **G**  
Weâ€™re dying the further this thing goes  
**C** **G**  
Well can we go back to where we were before  
**Am**  
You dropped your heart on my floor  
**F** **G**  
â€™Cause it was easiest to hide it all away  
**Am**  
And never say what we were thinking  
**G** **C**  
No youâ€™d never catch me blinking that night  
**F** **G**  
â€™Cause I was all of yours

**C** **Am**  
But donâ€™t say we became too late  
**F** **G**  
Well I just think youâ€™re humoring yourself  
**C** **Am**  
Let me say one more thing before you fly  
**F**  
And this charade is out of sight  
**G**  
Iâ€™ve been wrong but now Iâ€™m right  
**Am** **G** **C**  
So let your precious sky come down on you tonight

Iâ€™m right outside  
With every useless key Iâ€™ve tried  
Youâ€™re seamlessly wrapped in secrets

Unraveling now  
But you donâ€™t know just why or how

Bridge  
(left your heart at my door)  
(blinking those nights)

Chorus  
(Let me say one more thing before these

Beautiful mistakes weâ€™ve made run dry

Well I thought this would all blow by

And everything would just turn out alright

And this would all be fine)
