

**Daiquiri**  
**Mako Road**

Daiquiri by Mako Road  
Original version by Ava Collins

[Intro]

**G Am C**

[Verse]

**G**

We ve gone east to the place where it s cooler

**C**

It s a long day, wouldn t you say

**G**

We ve gone east to the place where it s cleaner,

**C**

You should see her, you should see her

[Pre-chorus]

**Am**

Cause don t you know we

**C**

always read between the lines

**Am**

Don t you know I

**Am7**

always find time

**C**

**D**

**C**

for things you don t condone

[Chorus]

**G**

**Am**

Daiquiri, darling come with me

**C**

Take you to the place that you want to be

**G**

**Am**

Daiquiri, liquid alchemy,

**C**

Seconds feel like hours,

sitting in the flowers,

**C\***

Be patient, be patient

[Instrumental]

**G Am C** x2

[Verse]

**G**

Now they've all turned to grey

**C**

seeing what you see

then he says to me

**G**

you don't have to run as long as you have the sun behind you

**C**

sip a cool cool brew

[Pre-chorus]

**Am**

Cause don't you know we

**C**

always read between the lines

**Am**

Don't you know I

**Am7**

always find time

**D**

**C**

for things you don't condone

[Chorus] (x2)

**G**

**Am**

Daiquiri, darling come with me

**C**

Take you to the place that you want to be

**G**

**Am**

Daiquiri, liquid alchemy,

**C**

Seconds feel like hours,

sitting in the flowers,

**C**

Be patient, be patient

[Outro] (x2)

**G**

Well I've got nothing for ya

**Am**

**C**

I'm no story teller anymore

**G**

I've got nothing for ya

**Am**

**C**

I'm no story teller anymore

G Am C x2 (fade out)
