

**Choir**

**Malcolm Middleton**

Capo 3rd fret:

Verse - **G C**

Chorus - **Em C G**

**G**

There s a choir behind me  
Egging me on

**C**

Placing their bets and hoping I ll do no wrong

**G**

I ll do no wrong

There s a guy inside me  
Biding his time  
Standing in line and waiting for me to fall  
For me to fall

Just figured this out so probably wrong but you can get by playing it like this.

Choir - Malky Middleton:

**Em**                    **C**                    **G**  
Self-preservation threatens us all

**Em**                    **C**                    **G**  
Health deterioration comes to us all

There s a fag beside me  
Waiting to be lit  
Trying to trick me  
And make me forget I ve quit  
I forget I ve quit  
I take a risk everyday when I get up  
Do I try harder?  
Or continue to fuck up  
Fuck up  
There s a bear in my bed  
Wanting to be loved  
Eyes like marbles  
All he needs is a hug  
My beginner s luck is wearing thin  
I ll need to rely on skill if I m going to win  
I m going to win
