REPEAT CHORDS AS ABOVE

Made a wrong move, baby, at the wrong time.
Made a wrong move, I m gonna pay for my crime.

Two people left in my world.
One of them s a winner, can you guess who it is?
You always made me feel like I ve won first prize,
And don t you deserve better than this clown?
This Crappo the Clown or whatever he calls himself.
He s living in another time and he can t even socialise
And he always destroys jokes.

Made a wrong move, baby, at the wrong time.
Made a wrong move, I m gonna pay for my crime.
