<b>A</b> - 5	<b>A</b> - 5
<b>E</b> - 6	<b>E</b> - 7

Riff 1  
I realised  
life was made to love

          Riff 2  
and being loved

Riff 1  
To kiss and hug

                                  Riff 2  
or even playing a simple chord

**G**  
But something moves each step I take

**A**  
something tells me my love dreams ain t no fake

                          Riff 1 Riff 2 **G A**  
Or is it love?

Riff 1  
It s holiday

                                  Riff2  
I m watching the waves and the surfers  
Riff 1

These feelings go away,  
                                  Riff 2

but strongly craves for your lips  
**G**

Something moves their boards  
**A**

Something tells me keep on playing the simple chords  
                          Riff 1 Riff 2

Or is it the sea?  
                          **G A**

or is it you and me?  
          Riff 1            Riff 2    **G A**

So please don t kiss any other girl  
          Riff 1            Riff 2

You re sad that you had  
          **G A**

I got sad cos I didn t know  
                          Riff 1 Riff 2 **G A**

It was just a joke  
                          Riff 1 Riff 2

It was just a joke

**G** **A**

or were you just teasing me?

Riff 1 Riff 2

My heart got completely broken

**G**

Was it a truth?

**A**

I don t wanna see

Riff 1 riff 2 **G A**

Riff 1 Riff 2

This sure isn t love

**G A**

It isn t you and me

Riff 1 Riff 2

It ain t nothing above

**G**

**A**

The beauty of earth because of sea

Gaita

Riff 1 Riff 2 **G A**
