Town of rock'n roll Mallu Magalhães

(C Bb F)

Guido started running after fighting with mom his feet are burning now he s under sun without ceiling and silent flying like that old feeling

Flanders walking home kicking little stones his feet are burning now he s holding all his bones and his guitar on his back

Dubble-Z woke up just to see his friends He plays music as well and music never ends In this town - the folk?n?roll town

[Verso]

(Bb F C)

Guido needed a music miracle he s new in town in town of rock n roll

D-drums turned lights off waiting for night to come but they kept waiting now the only star shining is the sun and I guess the only one

Dubble-Z woke up just to see his friends he plays music as well music never ends in this town the rock n roll town

[Verso]
