

No Hole In My Head
Malvina Reynolds

Hello everyone, this is my first tab but I think it s fairly accurate.
It s quite simple because the whole song is composed of verses with the same
chord progressions.

The only difficulty with this song is using the correct strumming rhythm.

IMPORTANT NOTES:

For the song to sound correct, when playing each chord you have to alternate
between the chord and open strings to get the correct tune.

In order to see what I m talking about and learn the rhythm and tune of the song
it

REALLY helps if you watch this video of Malvina playing and singing:

OTHER LYRICS/VERSES:

They call me a dupe of this and the other,

Call me a puppet on a string, they,

They don t know my head s full of me

And that I have my own special thing,

And there s no hole in my head.

Too bad.

I have lived since early childhood
Figuring out what s going on, I,
I know what hurts, I know what s easy,
When to stand and when to run,
And there s no hole in my head.
Too bad.

So please stop shouting in my ear, there s
Something I want to listen to, there s
A kind of birdsong up somewhere, there s
Feet walking the way I mean to go,
And there s no hole in my head.
Too bad.

Everybody thinks my head s full of nothin,
Wants to put his special stuff in,
Fill the space with candy wrappers,
Keep out sex and revolution,
But there s no hole in my head.
Too bad.
