

Doo Right

Man Man

**G#**

**G#7**

I wanna hold you

**Bbm**

**Eb**

til the mountains turn into sand

**G#**

Oh my god, what happened to all those days

**G#7**

before we were bruised

**Bbm**

before we were cut loose

**Eb**

to drown in your wake

**C#**

I cant breathe underwater like i used to

**Eb**

before i met you

Repeat until the end.

i, just cant remember  
january, straight through december  
my collective memories are in shambles  
so are my scruples  
i m outside your window  
throwin bricks at the moon

i cant breathe underwater like i used to  
fore i met you
