

Feathers

Man Man

Capo the 3rd fret.

Am **C**
she feels like a stranger has come in the night

E7 **Am**
and stolen her life and left her with this

C **E7** **Am**
and boughs break on ebony toothaches she is a flask trapped inside a fall

C
i know you need to find what you thought you left behind in a past life

E7 **Am**
i won t question why the only light that you have you give away

C
i know you need to find what you thought you left behind in a past life

E7 **Am**
i won t question why the only light that you have you give away

Am **C**
she feels like a stranger has come in the night

E7 **Am**
and stolen her life and left her with this
