DISCONNECT - Man Overboard

Tabbed by: Mean Mr Mustard
Email: Gotchristo@comcast.net

Tuning: Half Step Down

Fun song here, pretty sure its right, remember to play in half-step if youre playing with the album.

CHORDS:

E 0-7-9-9-x-x
E/D# 7-6-9-8-x-x
C#m x-4-6-6-5-4
A 5-7-7-6-5-5
B x-2-4-4-4-2

VERSE:

(n.C)

I drove through Berlin tonight.

E **E/D#**

Straight shot down the highway and through my chest.

C#m

A

And I thought about missing you and the meaning of the word futile.

E **E/D#**

I walked around this rainy college campus

C#m

A

on a Sunday for three hours.

PRE-CHORUS:

B **A** **E**
I thought about home and how you wouldnâ€™t be there.

B **A** **B**
And I thought of me and how you just donâ€™t care.

CHORUS:

A **B**
But I could swear I saw your reflection
C#m
in the puddle of rain on the concrete.

A **B** **C#m**
You were standing next to me and your lips were on my cheek.

A **B**
And I can swear I feel the dissection

E **E/D#** **C#m**
of the whole me when you leave.
A **B**
And Iâ€™ve grown to hate this connection
C#m
this connection that I weave.

VERSE:

E **E/D#**
I drowned you in alcohol last night.
C#m **A**
But you poked air holes through my chest.
E **E/D#** **C#m** **A**
You fought hard to maintain your place in my heart and on my mind.

CHORUS:

A **B**
But I could swear I saw your reflection
C#m
in the puddle of rain on the concrete.
A **B** **C#m**
You were standing next to me and your lips were on my cheek.
A **B**
And I can swear I feel the dissection
E **E/D#** **C#m**
of the whole me when you leave.
A **B**
And Iâ€™ve grown to hate this connection

BRIDGE:

C#m **A**
this connection that I weave. Connections wearing thin
C#m **B**
this connection that I weave. Connections wearing thin

CHORUS:

A **B**
But I could swear I saw your reflection
C#m
in the puddle of rain on the concrete.
A **B** **C#m**
You were standing next to me and your lips were on my cheek.
A **B**
And I can swear I feel the dissection
E **E/D#** **C#m**
of the whole me when you leave.
A **B**
And Iâ€™ve grown to hate this connection
C#m **C#m**

I dont remember anything after that.
