

Replay Acoustic
Man Overboard

Hey, I noticed this song wasn't up, even though it's a great song and easy to figure so I took the liberty of doing it myself. It's the same three chords through the whole but the strumming pattern can get kinda hard, but you'll figure it out. Have fun!

Hopin' you would give me a chance

You get the idea...

Who would have ever knew
That we would ever be more than friends
We're real worldwide, breakin' all the rules

She like a song played again and again

That girl, like somethin off a poster
That girl, is a dime they say
That girl, is a gun to my holster
She s runnin through my mind all day, ay

Not once did you leave my mind
We talk on the phone, from night til the morn
Girl you really change my life
Doin things I never do
