CAPO 3

-----

**C**  
Walking on the grass and I ve never seen this town.

**Am**  
My head is feeling and heavy and it s pointing straight down.

**C** **F**  
Remember when I left and you said that you ll miss me forever.

**C**  
Give me a chance to explain, what I did was in vein.

**Am**  
I think we need some rules, It will never be the same.

**C** **F**  
But I don t care to look straight ahead cause I m bleeding forever.

**C** **(E7)** **Am** **F**  
Hey, I want you to stay, I want you to stay right where I left you.

**C** **(E7)** **Am** **F**  
Hey, I want you to stay, I want you to stay right where you are.

**C**  
Trying to make it work and we re loosing all our grace.

**Am**  
I wish we could go back to that very first place.

**C** **F**  
Now I think I ruined our lives and it s weird now forever.

**C**  
Seems you can t forget all the things that I said.

**Am**  
Wasting all your time when your wishing you were dead.

**C** **F**  
Ever since you knocked me down, I ve been limping forever.

**C** **(E7)** **Am** **F**  
Hey, I want you to stay, I want you to stay right where I left you.

**C** (E7) **Am** **F**  
Hey, I want you to stay, I want you to stay right where you are.

**C** **Am**  
I can feel the breeze by the trees in the park.  
**C** **F**  
A friend is everything I m not fit for the part.  
**C** **Am**  
Give me a chance to explain what I did was in vein.  
**C** **F**  
The words I said to you will never fix the

**C**  
Broken hearts and fading memories.  
**Am**  
Driving in the summer, changing of leaves.  
**C**  
I never hurt you, I just let go.  
**C**  
Put the past inside a tempo.  
**F**  
I d look straight ahead  
**F**  
But I don t see the end.

**C** (E7) **Am** **F**  
Hey, I want you to stay, I want you to stay right where I left you.  
**C** (E7) **Am** **F**  
Hey, I want you to stay, I want you to stay right where you are.

End on C
